

Workforce Optimization Report

Layoff Simulation Analysis

Generated: January 15, 2026 at 22:43

Simulation Parameters

Parameter	Value
Target Budget Cut	15.0%
Minimum Employees per Department	2

Cost Savings Analysis

Target Monthly Savings \$673,244	Actual Monthly Savings \$680,326	Savings Achieved 15.2%
Employees Affected 77	Annual Savings \$8,163,912	Target Met Yes

Department Impact Analysis

Department	Employees Affected	Impact Level
Finance	13	High
Marketing	11	High
IT	9	High

Engineering	8	High
Operations	8	High
Sales	8	High
Customer Service	6	High
Human Resources	5	High
Research & Development	5	High
Legal	4	Medium

Detailed Layoff Recommendations

#	Employee	Department	Monthly Income	Retention Score	Reason
1	Michelle Martin	Engineering	\$9,972	0.0	Low retention score; High layo...
2	Dorothy Wright	Customer Service	\$5,859	23.3	Low retention score; High layo...
3	Carol Hill	Customer Service	\$8,271	23.3	Low retention score; High layo...
4	Andrew Lopez	Customer Service	\$7,666	23.3	Low retention score; High layo...
5	Steven Allen	Human Resources	\$5,778	23.3	Low retention score; High layo...
6	Andrew Sanchez	Customer Service	\$5,979	23.3	Low retention score; High layo...
7	George Wright	Engineering	\$12,936	23.3	Low retention score; High layo...
8	James Davis	IT	\$8,497	23.3	Low retention score; High layo...
9	William Hill	Legal	\$6,620	23.3	Low retention score; High layo...
10	Margaret Harris	Finance	\$9,358	23.3	Low retention score; High layo...
11	Betty Davis	Operations	\$4,999	23.3	Low retention score; High layo...
12	Betty Harris	IT	\$5,798	23.3	Low retention score; High layo...
13	Joseph Clark	Sales	\$7,015	22.7	Low retention score; High layo...
14	Kevin Hernandez	Engineering	\$10,068	22.7	Low retention score; High layo...
15	Deborah Lopez	Marketing	\$11,593	22.3	Low retention score; High layo...
16	Mark Torres	Finance	\$8,086	22.3	Low retention score; High layo...

17	Carol Taylor	Operations	\$9,743	22.0	Low retention score; High layo...
18	Paul Lopez	Engineering	\$5,508	22.0	Low retention score; High layo...
19	Donna Lopez	IT	\$8,094	23.3	Low retention score; High layo...
20	Steven White	Customer Service	\$6,474	23.3	Low retention score; High layo...
21	Linda Brown	Operations	\$8,228	21.7	Low retention score; High layo...
22	Emily White	Engineering	\$5,996	26.3	Low retention score; High layo...
23	Paul Harris	Operations	\$10,914	0.0	Low retention score; High layo...
24	Jennifer Moore	Finance	\$9,377	27.7	Low retention score; High layo...
25	Ashley White	IT	\$10,062	27.7	Low retention score; High layo...
26	Robert Lewis	Marketing	\$10,806	27.0	Low retention score; High layo...
27	Margaret Taylor	Operations	\$11,293	27.0	Low retention score; High layo...
28	Sarah Young	Finance	\$10,599	27.0	Low retention score; High layo...
29	Sharon Nguyen	Operations	\$12,397	26.3	Low retention score; High layo...
30	Donald Jackson	Sales	\$10,515	26.3	Low retention score; High layo...

Implementation Guidelines

- Review all recommendations with HR and legal teams before implementation.
- Ensure compliance with local labor laws and contractual obligations.
- Develop a communication plan for affected employees.
- Prepare severance packages in accordance with company policy.
- Plan for knowledge transfer from departing employees.
- Consider offering voluntary separation packages before involuntary layoffs.
- Document all decisions and reasoning for compliance purposes.
